CROSSWOODS NEIGHBORHOOD ASSOCIATION

Meeting Minutes-- Tuesday June 5, 2017

Meeting began at 7p.m. at Southland Christian Church, Building A, Chapel

Attendees: Joe Vonderheide, Becka Vonderheide, Mark Farley, Sarah Hanna

Minutes of May 2 meeting were read and approved.

Mark Farley read the Treasurer's Report. It was accepted as read. Mark noted he had received 15 additional membership dues. There are 192 paid members to date.

Old Business

Mark reported BlackHorse Lawn Care had completed landscape work on the three subdivision entrances. The board expressed satisfaction with their work.

Mark reported that the water company had turned the meters on. Although he had contacted Lawn Works, INC. about testing and starting the irrigation system, he had yet to see any evidence that the system was in operation. He is following up with them.

Discussed continuing to solicit ads from businesses with a Crosswoods connection to help fund the newsletter. Joe reports Chuck Skinner with Farmers Bank contacted him about purchasing ab ad.

New Business

Mark will be setting up a meeting with Jerry Kroggel, Lexington Insurance, to discuss the liability insurance. The Board does not have a clear understanding of what the current policy covers and if it is adequate for the needs of the neighborhood or the Board.

Becka had received a complaint from a member about storm drains becoming obstructed. She will contact a neighborhood Boy Scout Troop to see if they would organize a community service project to address this.

Meeting adjourned at 8:45p.m.

Respectfully submitted.
Sarah Hanna
