NICHOLASVILLE & JESSAMINE COUNTY

Dear Valued Customer:

CKY Hauling (CKY) appreciates the understanding Jessamine County residents have shown while the process of standardizing waste collection takes place. This process is a large undertaking, and we at CKY pledge to work with the citizens and community leaders in minimizing the problems which inevitably will arise.

CKY has made much progress since beginning this partnership and will continue to work every single day to improve. Being a local company we take pride in calling the Bluegrass home and Jessamine County our neighbors, and thus we are proud to announce the opening of our Nicholasville office:

123 Hendren Way
Nicholasville, KY 40356

Our office manager is Mrs. Emily Wheeler. Emily and the rest of our customer service representatives can be reached at (859) 305-1073. Also, our website address is www.wasteservicesofthebluegrass.com and is available for your convenience.
