

The Crosswoods Neighborhood Association is going “old school” on this addition of our newsletter. Our newsletter designer, Gene Doyle, and his wife are spending their 50th wedding anniversary in Italy. We would like to wish them a Happy Anniversary and hope they are having a great trip!

### CNA 2016 PICNIC RECAP

The CNA Annual Picnic was held on Candlewood Court on the 10<sup>th</sup> of September. Warm thanks to coordinators Andrea & Ryan Plummer and, Sandy & Aaron Allnutt, for a job well done. The event was abbreviated due to weather, but all attendants enjoyed good food and friends. We had a record number of attendees. The picnic seems to be an event that is welcomed by a growing number of residents within our neighborhood. We hope you will attend next year. We would, also like to thank the Crosswoods Baptist Church for helping make our picnic a more memorable event for the children. They not only provided inflatables and the sno-cone machine, but also volunteers to oversee these items. We would also like to thank the Jessamine County fire fighters from Station 6 for dropping by with their fire truck. Everyone, especially the kids, always enjoys seeing the fire truck and equipment up close.
