CROSSWOODS NEIGHBORHOOD ASSOCIATION • www.crosswoodssubdivision.com • APR 2016

SPRING HAS SPRUNG!

Yeah!—It's finally Spring!—with greener lawns and trees and flowers in full bloom. Our neighborhood looks its best this time of the year and there is much activity to talk about, so let's get going!

MEMBERSHIP UPDATE

We experienced a record number of CNA memberships in 2015 totaling 203 which is 78% of all residents. I would like to thank everyone who participated and hope you are satisfied with the efforts of your CNA board. It will be a challenge to exceed last year's numbers, but we will continue to reach out to all of our neighbors for support. It is important that we all share the burden of maintaining our neighborhood as we all enjoy the positive aspects of living in Crosswoods.

As of March 22, we have 146 paid members which reflects 56% of our residents. This includes nine new members. We would like to thank those who have elected to support our neighborhood in 2016. If you have received a request for payment with this newsletter, please consider submitting your payment at your earliest convenience.

If you have any questions regarding the status of your membership, please contact Mark Farley, Treasurer, via email at wvumark@aol.com. You may also check our website's "Paid Association Members" list by visiting www.crosswoodssubdivision.com.

MEETING LOCATION CHANGE

Please note that the monthly meetings of the CNA board for 2016 will be in the chapel of Southland Christian Church Building "A" beginning at 7:00 PM.

SLOW DOWN PLEASE!

With the improving weather we will start to see more children playing outside and residents walking our streets. Let's be more vigilant to maintain the posted speed limits throughout our neighborhood.

BRANNON RD. STATUS

Funding was not approved in the 2016 General Assembly session for the Brannon Road Improvement Project.
