### **Other Business:**

The 2 spot lights at Old Coach must be replaced. Cost to purchase the parts to make necessary repairs are more than the cost of new lights. Also, the old lights use 50 watts bulbs and are hard to find. The Board will look into the cost for purchasing LED lights.

Crosswoods Neighborhood Website ( [www.crosswoodssubdivision.com](http://www.crosswoodssubdivision.com) ):

- Sony suggested that Ads on our Website expire in 30 days. Becka will contact Ashley requesting that a "Posted Date" be added to each Ad to be removed after 30 days.
- Becka will ask Ashley to include a "Thank You" on our Website to Spray Masters for helping to fund the distribution of our last Newsletter.

Ann said J&J Painting contacted her to paint their Street Number on the curb for \$20.00 and this company had the Neighborhood Association's endorsement to perform this service. No one on the Board was contacted by this company requesting our endorsement. Everett will call to ask that they stop telling Crosswoods Neighbors that the Neighborhood Association is endorsing their work (859-319-1243). Ann also stated that J&J Painting would reduce the cost to \$8.00 if multiple households signs up for their service. This will be up to individual neighbors and not coordinated by the Neighborhood Association.

### **North Jessamine Special Fire Tax:**

- Fire Tax Issue has been very quiet. Neighbors are happy with Dennis's involvement and atmosphere on the Jessamine County Fire Board.
- Everett will invite Dennis Traynor to our next Neighborhood Association Meeting.

Meeting adjourned at 8:45pm.
