Meeting began at 7 p.m. at Southland Christian Church, Bldg. B, Room 105.

Previous Meeting Minutes were reviewed and accepted as written.

Other Attendees: Bill Alverson

September's Treasurer's Report was reviewed and accepted as written. Six new neighbors paid dues, totaling \$300.

Old business:

1. Picnic was a success. Gene Doyle took many great pictures and asked Ashley to post them on our neighborhood website. Thanks to Gene for doing this.
2. Mark Farley reported that Spraymasters refurbished defective spots on stop/street signs. This work does not extend their warranty period. A warranty surcharge of \$70 was requested. Thanks to Mark for his diligence in this matter.
3. Gene Doyle will repaint the black backgrounds of Harrodsburg Road entrance signs soon. And, he will check the condition of the two Crosswoods I entrance signs, also.

New business:

1. Neighbor, Bill Alverson suggests that a poll be distributed to all neighbors to vote whether to remove all stop signs on Old Coach Road from Harrodsburg Road into Clay's Crossing. This would turn all the four-way stops into two-ways at the intersecting streets. The poll could be emailed to neighbors on the new email distribution list. Since all neighbors are not on the email distribution list, another plan would have to be implemented to assure that all Crosswoods residents would be included. The board said they would consider this and vote next month.
2. The two column lights at the Harrodsburg Road entrances do not turn on/off at the same time daily. Mark thought the photo eyes need to be synchronized. Joe said he'd take a look at them.
3. Fall yard sale is scheduled for October 13th. Becka called the Jessamine Journal and Lexington Herald-Leader to buy ads; the TV stations to announce on their community bulletin boards and entered it on Craig's List. Joe will hang the entrance banner on Harrodsburg Road. Becka will get with Mark and put out yard signs throughout the neighborhood in the week of the 13th.

Meeting adjourned at 8:15 p.m.
