

Crosswoods Neighborhood Association Newsletter

July 2010

Check Us Out Online:

We are happy to announce that Crosswoods now has a website at www.crosswoodssubdivision.com!!!! It's filled with a lot of neighborhood and Jessamine County information. You can contact a Crosswoods Neighborhood Association Board member, look at previous newsletters and monthly CNA meeting minutes, post a classified ad (if you are a paid CNA member), locate government services or see what local events are in the near future, all from the website, to name just a few. We hope you spend a little time checking it out and benefit from what is available.

We'd like to thank Ashley B. Blair for her many, many hours of designing the website and for the excellent job she has done. You can contact Ashley from links she has posted on our website at the bottom of each page.

The Crosswoods Neighborhood Association would like to thank Legacy Builders for sponsoring this newsletter. Legacy Builders are owned by Bart and Deborah Osborne at 78 Candlewood Drive in Crosswoods II. Please see the Ad included with this newsletter for more information.

The Crosswoods Neighborhood Association would like to thank neighbors Pete and Elizabeth Jagodzinski for their work landscaping the entrance walls at Old Coach Road, Summertree Drive, and Lantern Way. They designed the flower beds, planted all the shrubs, and put down mulch. Thanks again from the CNA Board and the neighbors of Crosswoods.

The Crosswoods Neighborhood Association would like to thank Louie's Flower Power Shop for selling Double Knockout Roses and Daylilies at a discounted price to the Association for planting at neighborhood entrances. Louie's Flower Power Shop is located beside the BP Gas Station across Harrodsburg Road from Bellerive Shopping Center.
